

MP OBJECTS TO PLANNING APPLICATION

North Tyneside constituency MP, Mary Glindon, has added her voice to those of other local residents in objecting to the proposed Bellway planning application for 79 houses to be built at the former NEDL sports ground at Kings Road South, Wallsend.

Mary says, 'This former sports land should not be used for housing development, as it has been used, for many years, by local residents for recreation and leisure. It should remain as open space.'

Mary went on to say, 'The proposed development lies on a major route between the Coast Road and Wallsend, so there is already a lot of traffic congestion in the area, which would only be made worse by the proposed development.'

Mary has formally objected to this planning application.
